# Grammys turn up the volume

## BEST COUNTRY ALBUM

- 'Riser,'** Dierks Bentley
- 'The Outsiders,'** Eric Church
- '12 Stories,'** Brandy Clark
- 'Platinum,'** Miranda Lambert
- 'The Way I'm Livin','** Lee Ann Womack

**Will win:** Lambert. Best-new-artist nominee Clark could pull a dark-horse win here, but Lambert's combination of high-quality music and beyond-country public profile makes her a clear favorite.

...ring reworking of a 1970s  
Nyro tune would give  
who has won more Grammys than any other woman, her 28th.
