“A nod to the mod element and The Smiths are in the music of King Leg.” – **Huffington Post**

“LA-based King Leg brings an authentic modern take on the music that ignited the rock and roll movement of the 1950s. King Leg’s timeless sound and lyrical immediacy captures its audience from the first listen and refuses to let go.” -**The Waster**

“*Meet King Leg* celebrates classic country, early rock ‘n’ roll, and soul without irony or camp, and that is not only refreshing, but almost revolutionary in 2017.” – **News Whistle**

“King Leg is a whiz-kid from the west coast who’s got a knack for channeling Roy Orbison and ‘Sing Your Life’-era Morrissey with equal measures of success. Quite simply one of the freshest voices I’ve heard in ages. *Meet King Leg* is a blast.” – **A Pessimist Is Never Disappointed**
