TICKETS ON SALE NOW

DEBUT ALBUM, *SPEAK YOUR MIND*, IS OUT NOW

June 22, 2018 (Los Angeles, CA) – Breakthrough artist Anne-Marie has added solo headline shows during her North American stadium tour opening for long-time friend Ed Sheeran, which includes August 20 at The Roxy in Los Angeles, September 17 at Bowery Ballroom in New York City, and September 18 at Rough Trade in Brooklyn. Tickets are available [here](#). See below for itinerary.

Marshmello and Anne-Marie’s “FRIENDS” – the lead single from her debut album, *Speak Your Mind* (Warner Bros. Records) – is one of the year’s biggest hits and has been RIAA certified Gold. After taking the No. 1 spot on the global iTunes, Shazam and musical.ly charts, it has now entered the Top 10 of *Billboard*’s Pop Songs and Dance Club Songs. Official video views of “FRIENDS” have surpassed half a billion views in just four months. *TIME Magazine* recently called out the track as a “song of summer” saying, “it will pump up the party all summer long.”

On *Speak Your Mind*, Anne-Marie’s playfully infectious pop spirit entwines with her humorous, idiosyncratic storytelling. *Idolator* declared it to be “overflowing with potential hits.” *The Line of Best Fit* observed, “Anne-Marie is making pop music real again.” *BBC Entertainment News* noted, “A mix of pop club bangers and acoustic introspection, it looks set to cement the 27-year-old’s standing as one of the most exciting young pop queens-in-the-making.”

Rolling Stone put “2002” – a song Anne-Marie wrote with Ed Sheeran, who also contributes vocals – on “The Playlist,” praising it as “peak, perfect early-Aughts nostalgia.” *People* concurred, hailing the song as “a nostalgia-fueled millennial dream.” The album also includes Anne-Marie’s Gold-certified hit “Alarm.”

Since releasing “Alarm” in 2016 and featuring on Clean Bandit’s 2x Platinum “Rockabye” with Sean Paul, 5x BRIT Award nominee Anne-Marie has racked up over 5 billion streams and over 12 million global single sales. Her most recent collaboration just came out last week with Major Lazer and Rudimental.
