July 9, 2018 (Los Angeles, CA) – Warner Bros. Records recording artist Lily Allen releases “Lost My Mind - Michael Calfan Respect Remix.” “Lost My Mind” is from her critically acclaimed fourth album, *No Shame*, which was just released. The remix, by French DJ and Producer Michael Calfan who has already enjoyed a top 20 hit in the UK with his song “Treasured Soul,” adds a club-ready beat under Lily’s tropical-flecked confessional about a failing relationship, with Lily’s typically stark lyrics revealing her self-doubt: *“now I’m stuck in a rut, kicking stones, looking at my phone all night, maybe I’ve lost my mind?”*

No Shame is Lily Allen’s most personal, insightful and fully-formed record to date. Working with collaborators Fryars, Mark Ronson, Vampire Weekend’s Ezra Koenig, Burna Boy, P2J and Cass Lowe to create *No Shame*, Lily says her goal was to make an album that is *“as truthful as possible.”*
